Our Solutions

1

All-in-One Readers

Our Pay-at-the-Machine readers accommodate a host of payment options. Maximize Retention and usage at your laundry facility by offering customers one of our modern and intuitive solutions.

2

Mobile App Payments

CleanPayMobile is specifically designed for the laundry industry. It can be used to make payments, start laundry machines, view machine availability, notify customers when laundry cycle is complete.

3

Coin Boxes

KioSoft now covers the full spectrum of payments with the addition of Coin Boxes. Sometimes you need a choice – make a better one.

4

Kiosks & Laundry Cards

KioSoft's AVU Kiosk Series offers customers the option to pay for services via value card. Purchasing and adding balance can be done using cash, credit or value code.
